MAX Goes to the Opera Online: The Exterminating Angel Tuesday  
April 21st at 7:00pm

Join event co-champions Bruce Cecil and Michael Meehan online on Tuesday, April 21st at 7:00 p.m. to discuss the New York Metropolitan Opera's production of *The Exterminating Angel*.

The opera tells the story of a group of elegant socialites who gather for a lavish dinner party but find themselves unable to escape when it is time to leave. As the days pass, their behavior becomes increasingly erratic and savage. This critically acclaimed opera provides timely and fertile ground for conversation relating the experiences of the opera's characters to our own current lives, where we find ourselves trapped in our own physically isolated and restricted environments, day after day with no clear end in sight.

**MAX Does Comfort Food Wednesday, April 22nd, 8:00 – 9:00 p.m.**

In difficult times, we often turn to those go-to comfort foods to nourish our spirits and remind us of simpler times. Event Champions Lorenzo Taylor and Bruce Cecil will host this virtual meeting, where we will talk about our favorite mouthwatering "comfort foods" and perhaps a memory that eating this food brings back to us. We will also explore other foods that we turn to for healing, calming or aphrodisiacs. Hopefully, by the end of the meeting, each person will have an even longer list of comfort foods. There is no charge for this event, but space is limited to 30 participants.
