

Become a Sustaining Member of MAX!

In addition to our standard annual membership, MAX now offers three levels of Sustaining Membership for individuals, plus a special level for businesses. MAX Sustaining Members are ongoing monthly contributors to MAX who believe in the MAX's mission so fully that they are willing to "put their money where their mouth is." It demonstrates their commitment to our mission of offering ongoing social and friendship opportunities for gay men and their friends in the San Francisco Bay Area.

Just as sustaining members help keep the lights on at KQED, these contributions ensure our ongoing financial stability. It helps us provide the same basic services we now offer, such as our newsletter and weekly events, plus gives us the additional budget to create new and exciting member-only events, many of which could be free to our members.

Our Business Gold level is for businesses that wish to support and encourage the goals of MAX while simultaneously promoting their business or philanthropic interests. It gives them regular exposure to the thousands of members within the MAX community and demonstrates their dedication to provide the kind of quality services MAX members appreciate and support.

How to Become a Sustaining Member

Becoming a Sustaining Member is easy. You choose your giving level and your contribution is automatically deducted each month from your credit card or bank account until you tell us to stop. To set it up, please email concierge@maxsf.org.
